I'm out of the document now, but yes, making sure our latest edits were captured would be great.

That's ok, I can work on making sure they get transferred over.

Hi Michael,

No. We haven't captured those comments, but let us know the pages we can move them over.

Thanks.
Debra

Hi Debra,

Just to check, does this cleaner version contain any revisions we made up to about 20 or 30 minutes ago?

Hi Amy and Michael,

I see that the two of you are in the document on the OneDrive. For the sake of trying to make incremental steps on this decision memo, I am going to pull the access to the "old" version of the memo from the OneDrive. Hopefully this will eliminate my missing further comments from the team and mixing versions.

I would ask you to use the link below version which is a "cleaner" for your revisions.

Ex. 5 Deliberative Process (DP)

Thanks.
Debra
